FEDERAL GOVERNMENT NEEDS DENTISTS

AN EXTENSIVE campaign to recruit dentists for service in hospitals and clinics operated by the Veterans Administration and the U. S. Public Health Service has been announced by the Civil Service Commission. The rapid increase in the number of patients being cared for in the Veterans Administration's facilities at this time makes it particularly urgent that additional dentists be added to the hospital staffs. The salary for the positions is \$3,640 a year for a 40-hour week with overtime pay for extra hours. Applicants must be licensed in a State or Territory of the United States or in the District of Columbia, and must have had at least one year's experience.

Qualified persons are urged to apply at once. Full information regarding the positions, and application forms, may be obtained at first- and second-class post offices, from the Commission's regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C.
